# INSPIRE SUPPORTERS PROGRAMME

## IT TAKES A VILLAGE TO RAISE A CHILD

– African proverb

### FOREVER GIVING

As a charity we rely on donations to support us in what we do. Our forever giving programme is perfect for businesses or individuals wanting to support Inspire on a regular basis, giving a set amount each month, at a level that is affordable, via bank transfer. This way of supporting our charity is invaluable as it gives us a regular monthly income that we can rely on.

### CORPORATE DONATIONS

Making a single corporate donation can be a great boost to the charity and a fantastic way of giving back to the local community. Donations can be made in cash, via cheque or directly into our bank account!

### CHARITY OF THE YEAR

Why not get your whole workforce involved in raising funds for Inspire? Aside from the obvious benefits in giving back to your local community, it's great for team building, morale and having fun at work! Why not organise your own dress down Fridays, bake sales or sponsored events?

### FUNDRAISING EVENTS

We will be organising and taking part in events and challenges across the year that you can get involved with, including the Chorley 10k, Golf days, the 3 towers challenge – but don't stop there! Take on a personal challenge like Tough Mudder, the Great North Run or even a marathon? We can help with developing personalised online giving pages, fundraising resources and providing collection boxes/buckets.

Organising or supporting a fundraising event can be a great way of raising money for Inspire whilst having a lot of fun and raising the profile of your own business too!

## OUR SUPPORTERS

We really appreciate all the help and support we receive from our supporters, saying 'THANK YOU' hardly seems enough. Please be assured EVERY PENNY of your donation goes to paying for our excellent staff, training, resources, or premises costs, and as a charity we are very mindful of every penny we spend. We hope that you will feel hugely proud of your association with Inspire, and in knowing you are helping literally THOUSANDS of young people to live happy, healthy and more aspirational lives!

We will help you as much as we can to help you in your decision making and planning to make sure that you choose the option that is right for you and your business and that you have the support you need to make whatever you do a huge success! It's the very least we can do...

If you are interested in finding out how you or your business can support the future generations of Chorley, please contact Sara Eltman at [Sara.Eltman@inspireyouthzone.org](mailto:Sara.Eltman@inspireyouthzone.org)

  - > A donation/s of £10,000 per year would allow us to reclaim basic rate tax enhancing the value of the donation to £12,500. If the donor/s pay tax at 45%, they can reclaim the difference between the higher tax rate and the basic rate (25%) on the gross amount of the donation (£12,500). Therefore the actual cost of the donation is £7,500 pa.

We would be delighted to receive donations in whatever manner is most convenient. Corporate/individual personal/multiple personal as annual, quarterly or monthly contributions.

## MAKING A DIFFERENCE

We are hugely grateful for all the support we receive. Whether as a Patron, an Ambassador, or a Supporter: whether you contribute monthly, quarterly or as a lump sum – every donation helps!

**A DONATION OF £600** could contribute to costs of one of our **RESIDENTIAL EXPERIENCES** for a group of young people. We have planned three trips for the next year, one each for Juniors, Seniors and our very special inclusion group. Residentials offer not only the opportunity to try new and exciting activities, but they promote independence, develop valuable communication, leadership and team skills as well as emotional resilience! No-one gets much sleep, but everyone comes away exhausted and exhilarated! They can often be a once in a lifetime experience...

**A DONATION OF £1,200** could cover the cost of **1,200 HOT MEALS!** Chorley has 3 very deprived wards and unfortunately food poverty is a very real issue for some families. At Inspire we have children who come in and are hungry. Our youth workers work hard to develop relationships with the children and their families and encourage them to be open and honest with us about their circumstances, especially where it is affecting their children. We can make a huge difference just by offering a free hot meal to a child who needs it!

**A DONATION OF £2,500** could fund **2 FOOTBALL COACHING SESSIONS** every week for an entire year! We have football on every session - 40 hours every single week! We already have very popular girls football sessions too!

**A DONATION OF £5,000** could pay for **6 children** to attend our **HOLIDAY CLUB** every day for a whole year. Inspire work closely with local primary schools and offer free places to some of the most vulnerable children in Chorley. Coming to Inspire during the school holidays ensures they not only have fun and make new friends, but they also get free breakfast and a hot cooked meal.

**A DONATION OF £7,500** could support our members to **'BE SUCCESSFUL'!** Employability and enterprise at Inspire has got off to a fantastic start with the wonderful 'Dudle' product line, and your donation could pay for our enterprise youth worker for one year. We want to encourage and support our members to be 'work ready', excited and eager to develop skills that will help them in their future careers. This means introducing them to money, budgeting, marketing and sales which is another way of developing their critical thinking, numeracy, literacy, communication skills, confidence and self-esteem. Our members certainly get an appreciation of profit and loss here!

# MAKING A DIFFERENCE

All donations make a huge difference to the lives of local young people in Chorley, but **could you do even more?** Larger donations impact young people's lives in a way that defines and shapes **their future.**

**A DONATION OF £10,000** could support an **ENGAGEMENT WORKER**. At Inspire, over 20% of our members have an additional need ranging from emotional health and wellbeing issues to learning difficulties to physical disabilities and everything in between! It is very important to us that Inspire is welcoming and accessible to every child, and we work closely with parents, carers, schools and social services to ensure we can provide a supportive and enabling environment for everyone. Our engagement workers know every child with additional needs on every session and work tirelessly to ensure they are getting as much from their visit as every other child.

**A DONATION OF £12,000** could hugely support our **ARTS PROGRAMME**, here at Inspire. We aren't just a sports facility, we do so much more! Art, performing arts, music and media are just a few of our activities on offer, all designed to spark the imagination and interest of our members. Not everyone enjoys sport, but we believe everyone has a passion for something – we just need to help them to find it!

**A DONATION OF £15,000** could support every child to **'BE TRANSFORMED!'** Our 'Be Transformed' room is one of the most popular areas in the Youth Zone and here is where you can learn about hair, make up and beauty techniques and so much more. This is where we focus on raising self-esteem, self-confidence and resilience, self-respect, tolerance and acceptance and being the best YOU! We also tackle big issues in here (age appropriate) – online safety, healthy relationships, gender and sexuality, and the BIG questions. It's a safe and supportive environment where they know they'll get a straight and unbiased answer – whatever the question!
